Dear Chris,

Please find attached the Campbell For Colorado Amended report for October (7/1/05 - 9/30/04).

I looked into the matter of the contribution in question, and realized that there was a data entry error. The \$100,000 check that was itemized to "Federal Victory 2004" should in fact have been made to "Colorado State Republican Party".

I have made the adjustment, and file the amended report here.

I'm happy to get confirmation of this receipt from Colorado State Republican Party, if need be, or feel free to contact David E Wardrop if you need any verification at:

David E. Wardrop
Executive Director

I appreciate your work.

Sincerely,

A handwritten signature in black ink that reads "Karen Campbell". The signature is fluid and cursive, with the first name "Karen" and last name "Campbell" clearly distinguishable.
